Dane County Jail Consolidation Project Program Objectives

- Replace the outdated cell blocks in the City County Building to improve inmate and staff security.
- Provide appropriate medical and mental health housing and program spaces.
- Eliminate or greatly reduce solitary confinement.
- Provide non-contact visitation at the housing units.
- Provide multipurpose space to meet the spiritual needs of the inmates.
- Replace the Ferris Center.
- Provide a downtown location close, or adjacent to, the courthouse and bus transportation.
- Reduce total number of beds.
- Improve staffing and operational costs.
- Minimize impact to existing operation during construction.
